Guest Presenter - Nigel Hart

Managing Director, GRDC

Nigel grew up in southern New South Wales and began his career with Hart Bros. Seeds at Junee. He has since built more than 25 years of experience across the grains industry, working in senior leadership roles in Australia and internationally, including with GrainCorp and Archer Daniels Midland. Nigel joined GRDC as Managing Director in March 2022, bringing extensive industry experience and a strong understanding of grain supply chains and grower needs. Nigel will share his story from growing up in rural NSW through to leading GRDC today.
